

## The Jodhpur Jazz Safari on “HOLI” – 3 and 4 March 2026

The Jodhpur Jazz Safari is an annual celebration of music, culture and tradition held in conjunction with the Indian festival of Holi in March. Festival organiser, Reggie Singh, a proud member of Jodhpur's founding family, is keen to show the world a modern version of how Holi was celebrated in days of yore, when the party would traditionally last for a week. It was an era when the clans would come together dressed in turbans, white bandhgala and jodhpurs, to honour this festival of colours and herald the coming of spring.

The celebrations include the following highlights:

- Travel between the blue city of Jodhpur and ancient temple village of Osian. The Safari visits 5 unique venues over the two days including ancient stepwells, old havelis, ancestral homes and a fortified desert camp
- Witness the ritual burning of Holika in dunes outside Osian with performances by traditional Rajasthan musicians, singers and dancers
- Recline on traditional bolstered gaddas in the Thar Desert while listening to a fusion of jazz, world and traditional music performed under a moon-lit desert sky
- Enjoy brunch and play Holi at an ancestral home of one of Jodhpur's founding families
- Participate in an escorted cavalcade procession through the blue city to a private street party hosted by old city Hoteliers
- Savour traditional dishes from closely held family recipes prepared by Royals and Chieftains at the farewell party at a private Haveli.

The name, Jodhpur Jazz Safari, is a nod to both Jodhpur's rich safari heritage and the mobile nature of the event. Over 2 days, The Jazz Safari travels to unique venues in Osian in The Thar Desert and The Blue City of Jodhpur. The days and evenings are filled with jazz, world and traditional music, exclusive parties, cocktails and fine food. It is a stylish, joy-filled affair, exposing you to the hospitality Jodhpur is famous for and Rajasthan's rich traditions and culture.
